

Welcome to the treasure island!

Before you begin to play you need to know 2 things:

1. Along with the scenario card you receive The letters of an old pirate. You musn't read the letters before the game.
2. To play this scenario you will also need classical poker cards to prepare a Foundings deck. This deck should only consist of the cards valued 3-10 in each of the colors:
, , , . Such a deck should be shuffled and placed face down in easy reach of the players.

Have fun!
